The Althing was a quick vote on whether or not to have February subject to the weekly schedule, or Winter Schedule. The only dues paid members present the day of were 3 members of the Eternal Glades Monarchy Team. Collectively, they decided that with so few dues paid members present, it would be simpler to have the whole of the Althing online. The In-person half of the Althing was cancelled.

To vote online please fill out the Althing Survey found in the “town-crier” channel on the Eternal Glades Discord, or you may find it as a recent post on the Eternal Glades Facebook group. Print out or write down your ballot. Please send it to glades.blackspire@gmail.com as well as an identifiable picture of yourself holding the physical ballot as proof-of-completion and legitimacy.
